

### **David Winn**

David has been involved in the building industry all his working life, rising from Site Clerk to Surveyor with a building company owned by a large brewery chain, carrying out alterations and refurbishments to public houses throughout Yorkshire, the East Midlands and Lincolnshire.

In later life he volunteered for work in his local area, becoming Treasurer to the local after school club. He helped to carry out a survey of health and safety in the local neighbourhood for Woodthorpe Forum and helped to publish the final report.

After retirement, David became involved with the Woodthorpe Tenants and Residents Association (TARA) and helped to assist and accept Acis as the new social landlord. In doing so, he was accepted as a member of the Residents Advisory Panel (RAP). David applied, and was accepted, as a Tenant Board Member in April 2007.
